

MEMORANDUM FOR: JJH *[initials]* ACL *all* * PNS *[initials]*

FYI:

Dino brought up the attached package concerning the preparation of a recommendation for Col. [redacted] retirement award. I believe the desire is to present Carl with the Legion of Merit upon his retirement. The justification was drafted by Dino and forwarded back to [redacted] deputy, for him to prepare the final form.

I have suggested to [redacted] and Dino that any type of commendation from ACL will be done separately. This can take the form of a letter or some other type of commendation. I believe

LAWRENCE R. HOUSTON
GENERAL COUNSEL
CENTRAL INTELLIGENCE AGENCY

Mr. Lawrence R. Houston can lay claim to the title "Legal Architect of the CIA." He has been the General Counsel since the Agency's inception. He created the legal design for the Agency that was incorporated in the National Security Act of 1947 and led to the Central Intelligence Agency Act of 1949, legislation unique in concept which has stood the tests of the intervening years.

Mr. Houston is both a creator and a principal practitioner of "intelligence law." During 26 years' service beginning with OSS, he has demonstrated through his many contributions to the Agency, its predecessors and the nation that he has truly met the challenge of public service.
